Today 25/09/23

It is hereby confirmed that the company "**Marinelli Sisto Yacht Services**" worked on board Motor Yacht ULTRAVIOLET II (UVII) in September 2023 to improve all the seal around decks, cleats and windows.

The works were carried out in a workmanlike manner by serious and professional staff in compliance with on board and working safety rules.

Furthermore, the works were carried out under the total Palumbo super yachts warranty in the best possible way.
